

# Strategic Improvement Priorities

**2024-26**

*Tytherington School is a successful, ambitious and high-performing school at the heart of the Macclesfield community.*

## **OUR ETHOS**

Everything we do is focused on providing a first-class learning experience for all students. We pride ourselves on our high standards. We are a school which also places character development at the heart of what we do. We encourage students to be articulate, resilient, courageous, curious, and to have the confidence to stand up for what they believe in. We aim to provide fantastic leadership opportunities for all our students.

For our staff, our positive, supportive and caring atmosphere - underpinned by excellent resources - makes Tytherington a wonderful place to build a successful career.

## **OUR PRIORITIES, 2024-2026**

At Tytherington, we strive continuously to both improve the way our students learn and develop, and to nurture the many skills our teachers have. This document outlines our Strategic Improvement Priorities for 2024-2026. These priorities are grouped into three themes which give a flavour of our plans for developing Tytherington School over the next few years.

### **1. EXCELLENT OUTCOMES FOR ALL**

*As a proud comprehensive school, we serve students who come to us from a variety of different backgrounds. We want to be a school that works for everyone.*

**To achieve this, we will focus on:**

- Providing an ambitious curriculum for **all** students.
- Delivering excellent teaching and learning.
- Ensuring the best outcomes for Pupil Premium and SEND students.
- Enabling everyone to achieve their 'Best Next Steps'.
- Implementing high standards of Behaviour and Attendance.
- Ensuring that our school is a safe environment.
- Nurturing leadership development at all levels.
- Promoting Equality, Diversity and Inclusion.
- Being an emotionally healthy school, where safeguarding is paramount.
- Maintaining the status of our Sixth Form as one of the highest performing in the region.

## **2. EMBRACING THE CHALLENGES & OPPORTUNITIES OF THE FUTURE**

*We want to ensure that our curriculum prepares students for the modern world. We also believe that technology can provide benefits for staff. We aim to embrace and understand new technology so that we appropriately prepare our whole community for the challenges of the future.*

*Schools across the country are finding it more difficult to recruit and retain the very best people. We want to ensure that we are the number one destination for people to build great careers.*

### **To do this, we will:**

- Embrace new technologies, such as AI, so that they support, not hinder, students' learning and enhance the work of our staff.
- Become the most environmentally friendly school in the region.
- Ensure that students and staff have a clear understanding of their career pathways.
- Offer high quality staff development and competitive salaries to attract and retain the best staff.
- Equip our buildings and facilities to successfully facilitate the delivery of an ambitious curriculum and provide a great environment in which staff and students can work.
- Continue to ensure that our funding is used effectively in pursuit of our curriculum aims.

### 3. A THRIVING, DYNAMIC & EXCITING COMMUNITY

*We believe that in order for people to truly thrive in life, they need to feel part of something bigger than just themselves. At Tytherington, we strive to make people feel that they are part of a very special community.*

**To ensure that we continue to do this, we will:**

- Always aim to bring our core values to life - **Be Ambitious, Be Prepared, Get Involved and Respectfulness.**
- Work for and with the wider Macclesfield community, wherever and whenever we can.
- Offer our students high-quality extra-curricular opportunities that unlock their creative potential.
- Ensure that Tytherington School is a fun and inspiring place to work.

We are always more than happy to welcome visitors. If you would like to find out more or book a school tour then please contact us by email: [info@tytheringtonschool.co.uk](mailto:info@tytheringtonschool.co.uk) or ring us on: **01625 610220**
