PUBLIC SECTOR EQUALITY DUTY

Tytherington School are committed to equality. We aim for every student to fulfil their potential no matter what his/her background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in before and after school activities.

We must under the general duty of public sector equality duty, in the exercise of our functions, have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This will apply to all students, staff and others using the facilities. We will give relevant and proportionate consideration to the PSED.

The protected characteristics for Tytherington School's provisions are:

- Disability
- Gender reassignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation
- Age (only applicable to staff, not students)
- Marriage and Civil Partnerships (only applicable to staff, not students). Age and marriage and civil partnership are NOT protected characteristics for the Tytherington School's provisions for students.

We will have due regard to advancing equality of opportunity including making serious consideration of the need to:

- remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic.
- take steps to meet the needs of persons who share a protected characteristic that are different from the needs of persons who do not share it;
- encourage persons who share a relevant protected characteristic to participate in public life or in any activity in which participation by such persons is disproportionately low.

We will consider the six Brown principles of 'due regard':

awareness – all staff know and understand what the law requires
