Key Messages about AI

- It's there to help you, not be you
- It should provide the least amount of help possible
- Beware of apps such as Gauth

Mr Pilbury will put some online AI support/information sessions on with advice on using it to benefit learning and our childrens' education.

Introducing the Parents of Tytherington School

We are a group of parents who help the school community with fundraising. Such fundraising helps to provide much needed resources. POTS also support events such as Christmas and Summer Fairs, Music Concerts, Fashion Shows etc. We are a registered charity, and we are always looking for more volunteers to help and we welcome ideas for new ways to help raise money for school.

Could you spare a little of your time to help?
