Our Curriculum Vision

Examination success should be the **by product** of an effective education rather than an end in itself.

Tytherington Curriculum

Knowledge-Rich

Humanity-Rich

An ambitious school at the heart of the community

A Generation Both Connected and Isolated

- Rise of Smartphone and Social Media

More students who :

- struggle to concentrate
- are distant from peers
- are absent from school
- are quick to give up
- easily frustrated
- struggle with their mental health

1. Download the Apps

ClassCharts

*The **ClassCharts** app provides you with a portal to show you up to date information about many aspects of a student's school life including, their attendance, reward and behaviour reports (including detentions), and will become a key communication tool with Tytherington School.*

Contact info@tytheringtonschool.co.uk if you have any questions about ClassCharts.

ParentPay

*We use **ParentPay** in order to collect payments for trips, revision guides, etc... and you can also use it to top-up your child's/children's dinner money as well.*

Contact financeoffice@tytheringtonschool.co.uk if you have any questions about ParentPay.

1. Step-by-step support on questions

Calculate the mean of these values.

8 9, 7, 2, 4

Ok, let's learn it...

Step 1 / 4

To calculate the mean, we need to find the **sum of values** and the **number of values**.

To find the sum of the values, add the values together.

sum of values =

Step 2 / 4

How many values are there?

number of values =

Step 3 / 4

We can now use this equation to calculate the mean.

$$\text{mean} = \frac{\text{sum of values}}{\text{number of values}}$$

Substitute your values into the equation.

mean =

Step 4 / 4

Carry out the calculation.

What is the mean?

Work out $\frac{5}{8} - \frac{3}{8}$

Give your answer in its simplest form.

Nearly! Fully simplify your answer. [Show me how](#)

5. Discourage the over-use of Smartphones

- ‘The mere presence of a smartphone can lower your brain capacity’ (Ward et al, 2016)
- Extensive use of social media degrades attention and concentration skills
- ‘Like’ buttons make teenage lives a constant public popularity contest
- Monitor phone use and check settings
- Best antidote – face to face interactions

5. Talk to us if you have concerns

- share with us any family or friendship issues which may impact them in school*
- share with us any health concerns*
- share if your son/daughter is struggling with homework*
- avoid talking negatively about the school, teachers or subjects in front of your children*

Introducing the Parents of Tytherington School

We are a group of parents who help the school community with fundraising. Such fundraising helps to provide much needed resources. POTS also support events such as Christmas and Summer Fairs, Music Concerts, Fashion Shows etc. We are a registered charity, and we are always looking for more volunteers to help and we welcome ideas for new ways to help raise money for school.

Could you spare a little of your time to help?
