Excel outdoors Parent information letter

Excel outdoors:

Excel Outdoors comes out of 25 years experience on the hill. My Name is Thomas Kelly and I am the CEO of Excel Outdoors, my first memory of the outdoors is being dragged up a gully on Dow Crag and wild camping at Goat's Water. Since then the outdoors has been a huge part of my life. I completed my DofE Awards, began supporting my centre as a Leader and DofE Manager.

For 18 years I have worked for the DofE Charity initially comms and leading outdoor training, then as an Operations Manager for 8 years and during the Covid year of 2020 as Acting Director for the North of England.

During my time with DofE I delivered outdoor training qualifications, led DofE expeditions and was responsible for the Cumbria Assessment Network. I have provided consultancy to local authorities for outdoor provision and AALS and provided consultancy to schools delivering DofE expedition

2020 and 2021 were extremely difficult years for all and it gave many of us the opportunity to reflect on our careers and purpose. For me I realised that my passion is for developing and training people and helping them to excel in life and hence Excel Outdoors was born.www.exceloutdoors.co.uk

Information for your child's Silver DofE Award — Tytherington School:

Medical consent form:

We need to send you a medical consent form for you to complete. We intend to send the form out on Friday 27th November 2026.

Equipment:

Kit list for the practie and qualifying expedition:

This is the equipment you will wear or carry each day. Use the information below as you organise your kit and tick off items, so you know what you have packed and won't miss anything.

The items below are what we we think you will need, there is a more extensive kit list and more information on the DofE Website if you would like to look https://www.dofe.org/shopping/dofe-expedition-kit-list/

Some of the items are provided by Excel outdoors as part of the cost of the expedition (see below) You can also hire a roll mat, rucksack and Sleeping bag if needed, if you wish to hire any of these you can indicate your requirement of this on the medical consent form. The cost is £12+VAT each for Rucksacks and £20+VAT sleeping bags and £6+VAT for a foam roll mat. You will be sent a stripe link for this once we have the form back.

Clothing	Tick if packed	Other items (continued)	Tick if packed
